

# 2018 2nd International Conference on Bio-Signal and Image Processing

July 15-17, 2018 Porto, Portugal

**ICBSIP 2018**

<http://www.icbsip.org/>

**2018 2nd International Conference on Bio-Signal and Image Processing (ICBSIP 2018)** will be held in The University of Porto (Universidade do Porto), Porto, Portugal during July 15-17, 2018. The aim of ICBSIP is to present the latest research and results of scientists related to Bio-Signal and Image Processing. This conference provides opportunities for delegates to exchange new ideas and application experiences face to face, to establish business or research relations as well as to find global partners for future collaboration.

## Shining Points

- ✓ Accepted and registered papers can be published in **International Conference Proceedings Series by ACM (ISBN: 978-1-4503-6453-9)**, indexed by **Ei Compindex** and sent to be indexed by Scopus. Or **Journal of Image and Graphics (JOIG) (ISSN: 2301-3699)**.
- ✓ Prof. Bátfai György from University of Szeged, Hungary, Prof. Wiros Niessen from Delft University of Technology, The Netherlands, and Assoc. Prof. István Vassányi from University of Pannonia, Hungary have joined as speakers.
- ✓ One Day Visit will be arranged on July 17, 2018.

## Call for Papers

- Audio and acoustic signal processing
- Bio-imaging and biomedical signal processing
- Signal processing education systems
- Speech processing
- Industry technology tracks
- Information forensics and security

More topics can be found at <http://icbsip.org/cfp.html>.

## Important Dates

Paper submission (Full Paper)	Before May 5, 2018
Notification of acceptance	On May 25, 2018
Authors' Registration	Before June 15, 2018
Conference Dates	July 15-16, 2018
One Day Visit	July 17, 2018

## Submission Methods

1. Electronic Submission System:  
<https://cmt3.research.microsoft.com/ICBSIP2018> (.pdf)
2. Email Address: [icbsip@cbees.net](mailto:icbsip@cbees.net) (.pdf or .doc)
