Introduction

2020 3rd International Conference on Bio-Signal and Image Processing (ICBSIP 2020) will be held in Xiamen University, Xiamen, China during October 16-18, 2020. ICBSIP 2020 aimed at keeping abreast of the current development and innovation in the advanced of research area on Bio-Signal and Image Processing as well as providing an engaging forum for participants to share knowledge and expertise in related issues.

Publication

All the accepted papers which are registered and presented in ICBSIP 2020 will be published in **International Conference Proceedings**, which will be indexed by **Ei Compindex** and **Scopus**.

Important Dates

- Submission Deadline: May 25, 2020
- Notification Date: June 15, 2020
- Registration Deadline: July 05, 2020
- Conference Date: October 16-18, 2020

Call For Papers

- Biomedical Signal and Image Filtering
- Bio-imaging and biomedical signal processing
- Biomedical Signal and Image Measurement and Acquisition
- Pattern Recognition in Biomedical Applications
- Industry technology tracks
- Machine Learning in Biomedical Applications
- Image, video and multidimensional signal processing
- Multimedia signal processing
- Bioinstrumentation and Biosensors
